Morning & Afternoon Sessions--Why They Give

Jamie Levy, President, JDLevy & Associates, Faculty Member, Indiana University. Join us for a fantastic presentation on how Program/Memberhsip Directors, Branch Execs, CEOs, and Board Members can **enhance** their program's and association's sustainability through proven **core principles** in donor cultivation and giving. You will come away with a new understanding of the **4 significant fundraising challenges** and **unprecedented opportunities** that face the field over the next 10-30 years that will undoubtedly change the face of non-profit organizations. Y board members are welcome!

EAF Auction--please bring a themed basket or other items for this FUNd raising event!
